DEAR Sir

I'm writing to you about the
cell-phone settlement today.

Asking for \$5,000 refund check
and to let you know about
at least crank calls occasionally.

I have reported crank calls
recently on my phones at home.

In the morning, the phone would
ring about 8:00 am then 12 noon

then 9:00 pm and 12 midnight.
many times it would be unlisted
or unknown callers. I want this
corrected and stopped.

Thank you, thank you, Happy
Holiday. Thank you.
